PROFILE

Dreams never come true until they are backed up by action. Similarly, the design cannot come true unless it is supported by the development process. Yes! I'm selfmotivated and enthusiastic web developer who wants to make people's ideas come true by developing the ideas into the real world.

EXPERIENCE

Junior Fullstack Engineer

From 2023 to Current | Cyberdude.

Intern in this company dedicating the best responsibility in the area that corresponds, delivering the best results for the company and improving my skills and productivity.

Junior Frontend Developer

From 2021 to 2022 | IVE Designs.

I was interested in Web development. I wish to knowmore about the field. So, i started my carrier as a Partime Front-End Developer Trainee in IVE Designs Trichy. It's a startup company which provides designs and development for digital platforms.

PROJECTS

The Action Technology - Portfolio Website

Done a portfolio website for our own company where i did mypart time jr front-end dev.Here i used Html css js concepts which i learnt before.

Sri Matrimony - Matrimonial site

had been part of this matrimonial project as a part time jr front-end dev.My role here is do Admin side frontend for the above mentioed website.

Capucino - Food delivery WebApp

designed a food delivery app as a part time jr front-end dev for the Capucino restarunt .As client wants to move their business towards current trend.we delivered a end-to-end app within the given limited time span.

Flowe Export Management system

it is cient customer interactive website.it is four way to access website 1.admin/ownwer 2.flower collector 3.local invester 4.customer
